

15 Thursday October, 2015		
Morning	UNCCD Drought Risk Management Policies for Sustainable Development: The Way Forward	MET8
	Portugal Earth Observation tools to monitor desertification and report to UNCCD	MET16
Lunch time	UNCCD Global Mechanism The Great Green Wall : All Hands on Deck to Boost Sustainable Land Management in Africa	MET7
	National Bureau to Combat Desertification, State Forestry Administration, China One Belt one Road Join Countries' Joint Action to Achieve LDN	MET8
	SPI co-chair UNCCD Science-Policy Interface	MET 16
	Global Environmental Forum Japan and Mongolia: Combating Desertification and Sustainable Land Use in Arid Rangeland	MET10
Evening	Brazilian Ministry of Environment The Environmental Management for Coexistence with Dryness and Combat Desertification: The Right to Water Associated to Good Practices	MET7
	IRD Announcement and introduction to the new World Atlas of Desertification	MET8
	Turkish Ministry of Food, Agriculture and Livestock (MoFAL) National Activities of Agricultural Sector Way Through to Land Degradation Neutrality in Turkey	Turkish Pavilion

Friday 16 October 2015		
Morning	European Commission Joint Research Centre, European Commission Announcement and Introduction to the New World Atlas of Desertification	MET8
Lunch time	CILSS Land Degradation Neutrality (LDN) : Quelles contributions du CILSS et des pays membres	MET7
	The Global Environment Facility (GEF) Investment Fund for Land Degradation Neutrality (LDN Fund)	MET8
	GEF GEF-6 Programming update including UNCCD Enabling Activity support	CSO
	IUCN-WCPA Mitigating Climate Change through Sustainable Land Management	MET16
	IUFRO The Contribution of forests and trees to food security in Drylands	MET1
Evening	UNCCD On the Edge of a Crisis: Dust and Sand Storms	MET7
	IUCN Nature-Based Solutions to Desertification: integrating different landscape management approaches for Land Degradation Neutrality	MET8
	FAO/ Ministry of Forestry and Water Affairs (Turkey) Launch of the Silva Mediterranea Working Group on "Desertification and Restoration of Forest Ecosystems in Mediterranean Drylands"	Turkish Pavilion

Monday 19 October 2015		
Morning	CILSS Alignement des PANs LCD à la stratégie décennale à la croisée des chemins : Quelles orientations nouvelles suite à la LDN et ODD.	MET7
	UN-OHRLLS Achieving Land Degradation Neutrality in Landlocked Developing Countries: Challenges and Opportunities.	MET8
Lunch time	TEMA Right to Land, Right to Food: Impact of Extractive Industries on Land Rights and Food Sovereignty.	MET7
	World Bank Enhancing Resilience in African Drylands: Toward a Shared Development Agenda.	MET8
	BIDR, Ben Gurion University, Israel Coping with the Projected Precipitation Decrease due to Climate Change: Maintaining Productivity Levels with Less Water.	MET16
	World Resources Institute, FAO Seeing the Drylands Systematically: How a Country Can Build a Baseline for Monitoring Through a Mapathon with Collect Earth.	MET10
	ILC – IFAD Land Rights: Crucial to Reverse and Prevent Land Degradation.	MET1
	CGIAR Research Program on Dryland Systems/ICARDA Scaling Out Sustainable Land Management Practices: Conditions for Success	MET2
Evening	JICA, Japan Strengthening the Resilience to Climate Change and Drought in Sub-Saharan Africa – Toward TICAD VI	MET7
	GIZ Soil Policies – A Lever to Sustainable Land Management	MET8
	Serbia Sub-regional Cooperation in UNCCD Naps Preparation in Western Balkans. View to Sub-Regional Partnerships in Combating Land Degradation and Desertification	MET16
	FAO HQ-Land and Water Division / UNCCD Secretariat or Global Mechanism Bridging the SLM Gap - Regional Platforms for South-South Cooperation, Sharing Experiences and Promoting Capacity Development, Partnerships and Investment in Sustainable Land Resources and Ecosystems Management	MET10
	International Atomic Energy Agency (IAEA) Soil Science for Sustainable Land Management	Turkish Pavilion

20-21 October 2015 NO SIDE EVENTS DURING HLS

Thursday 22 October 2015		
Morning	SADC-IUCN Implementing the SADC Sub Regional Action Programme to Combat Desertification	MET7
	Haut Commissariat Aux Eaux Et Forets Et A La Lutte Contre La Desertification, Marocco Adaptive Sustainable Land Management in the MENA Region: The Tools and Best Practices Toward Neutral Degradation and Resilience.	MET8
	Turkish Ministry of Food, Agriculture and Livestock (MoFAL) / UNCCD Global Mechanism Land Banking as Functional Mechanism for Sustainable Land Management	MET10
Lunch time	UNCCD Global Mechanism / International Organization for Migration Migration in the Context of Desertification, Land Degradation and Drought (DLDD) - South-South Exchanges around Resilience and Coping Strategies.	MET7
	PBL-Netherlands Environment Assessment Agency Mapping the Global Potential of Land Restoration; A Major or Minor Solution in the Water, Food, Climate and Biodiversity Nexus?	MET16
	GIZ Economics of Land Degradation (ELD) Initiative – presentation of the final reports	MET10
	Ministry of Food, Agriculture and Livestock (MoFAL) Public- Private Partnership for Land Development Services : Land Consolidation Program in Turkey	Auditorium
Evening	Greenradio-World / TerrAfrica/ World Bank-TerrAfrica The Media and the Dissemination of SLM Good Practices / Les Media Et La Dissémination Des Bonnes Pratiques En Matière De Gestion Durable Des Terres.	MET8
	UNDP Chile Experiences Combating Desertification in Chile: Building Capacities at Local Level.	MET16
	Ministry of Food Agriculture and Livestock (MoFAL) Decision Support Systems for Sustainable Land Management: Agricultural Inventory and Information System (TARSEY)	Auditorium

Friday 23 October 2015		
Morning	Turkish Ministry of Food Agriculture and Livestock (MoFAL) Combating Land Degradation while mitigating climate change and conserving ecosystem in Central Asia	MET7
	Mountain Partnership Secretariat / FAO/ General Directorate of Combating Desertification and Erosion Mountains – A Resource for the Resilience in Dryland Areas	MET8
	Michael Succow Foundation for the Protection of Nature Land degradation, ecosystem conservation and policy development in Central Asian Deserts	MET16
Lunch time	Turkish Ministry of Food Agriculture and Livestock (MoFAL) Promoting Sustainable Soil Management and Soil Restoration through the Global Soil Partnership	MET7
	UNCCD Global Mechanism / GEF Funded Enabling Activities to Support National Planning and Reporting under the Global Support Programme and UNEP Umbrella Project	MET16
