COVID REGULATIONS AND PCR TESTING

Participants are advised to consider the health guide available at <https://unccd-cop15.org/guide_sanitaire>.

Given the evolution of the pandemic in Côte d'Ivoire and the new regulations in the host country, vaccination is no longer mandatory but highly recommended for all participants entering the COP15 venue. Participants that do not have proof of vaccination will need to do an antigenic test in the area located outside of the blue zone. Antigenic tests are free of charge. The use of face masks covering mouth and nose is compulsory indoors.

All participants required to take a PCR test prior to returning to their home are invited to go to the COVID antenna of the Hôtel Ivoire opposite the Grand Chancellery with a copy of their passport or proof of online payment (<https://deplacement-aerien.gouv.ci/#/home#procedure>). PCR tests are carried out every day from 8 to 11 a.m. at a cost of 25,000 CFA francs (€38). The results will be available the following day at 6 a.m.

To assist with antigen testing, the Health Commission is on-site in the Pullman, Movenpick, Novotel and Sofitel hotels to carry out tests every evening from 6 to 10 p.m. Signs are up in these hotels and hotel staff are generally aware of the testing.

The Health Commission urges delegates to get tested. This is not an option but a responsibility to yourself and others.

Thank you for your understanding.
