Between December 1 and 10, the Land & Drought Pavilion at COP28 will organize daily high-level dialogues that bring together global leaders, experts, and activists. These dialogues, addressing critical topics at the intersection of land, climate, biodiversity, and sustainable development, will be open to all COP28 accredited delegates on a first-come, first-served basis. Additionally, the events will be livestreamed worldwide, and light refreshments will be provided.

### High-Level Event

Getting to One  
Billion: Scaling up  
Land Restoration  
Initiatives

**Sat 2 Dec 12:00-13:30**
