

# Risk Mitigation Measures/Best Practices

## UNCCD – Jeroen van Dalen

Validation Workshop for the UNCCD-led Drought Toolbox

02-04 May 2019

The UNCCD Drought Initiative

# Thinking out loud

- Write down 5 specific drought problems in your region/working area:

- Water Management
- Lack of food
- Poor soil quality
- Soil erosion
- Health problems

# Thinking out loud

- Create a stakeholder map of your region interested in solving this problems:

# Thinking out loud

- Write down what are the specific needs of these stakeholders (What kind of tools, strategies or information):
  - Visualization maps
  - Technical solutions
  - Training
