Strategic objective 5: To mobilize substantial and additional financial and non-financial resources to support the implementation of the Convention by building effective partnerships at global and national level

S05-1

Trends in International Bilateral and Multilateral Official Development Assistance

Quantitative data

Total amount of bilateral official development assistance (ODA) committed for activities relevant to the implementation of the Convention over the previous five years.

Data derived from information reported to the Organization for Economic Co-operation and Development (OECD) Development Assistance Committee (DAC), based on the Rio marker classification for desertification; they can be amended as appropriate.

Year	Total ODA committed for activities relevant to the implementation of the Convention
2012	367,784 million USD
2013	115,477 million USD
2014	146,936 million USD
2015	22,540 million USD
2016	

Sources of information

If you have used other global/regional data sources or national data, please provide the source of data.

Latest data of Rio Marker Classification, OECD/DAC

Qualitative assessment

Complementary information

Provide any complementary information you deem relevant, including trends emerging from the data as indicated above and how they relate to financing the implementation of the Convention, and the types of projects and/or regions or countries on which your country has focused to the greatest extent.
