Sources of information

Qualitative assessment

Does your country have a national communication strategy addressing DLDD and/or DLDD synergies with climate change and biodiversity in place?

Yes

No

Provide any complementary information as needed (e.g., regarding the implementation of the Comprehensive Communication Strategy, activities relating to the United Nations Decade for Deserts and the Fight Against Desertification, etc.):

--

Operational objective 1: Advocacy, awareness raising and education

CONS-O-3

Number of civil society organizations (CSOs) and science and technology institutions (STIs) participating in the Convention processes

Global target

A steady growth in the participation of CSOs and STIs in the Convention processes is recorded along the implementation period of The Strategy.

Qualitative assessment

List the partnership agreement(s) concluded by your country in the reporting period and the beneficiary affected country(ies) and/or subregion(s) and region(s) (add as many rows as necessary):

Partnership Agreement:

Drought Management Centre for South East Europe (DMCSEE)

Beneficiary:

Category	Location
Region	Central and Eastern European

Is your country planning one or more partnership agreement(s) with one or more affected country Party(ies)?

Yes

No

Provide any complementary information as needed (e.g., support received by Convention-related institutions, major difficulties experienced in the conclusion of partnership agreements, relation to integrated investment frameworks, etc.)

Agreements are connected to the related projects time frame. After projects expired date, there are difficulties to continue with sustainable activities.

Qualitative assessment

List the initiatives for synergistic planning/programming of the three Rio conventions or mechanisms for joint implementation that have received the technical and/or financial support of your country during the reporting period, and the beneficiary affected country(ies) and/or subregion(s) and region(s) (add as many rows as necessary):

Initiative or Mechanism:

Climate risk assessment (drought)

Beneficiary:

Category	Location
Country	Slovenia

Is your country planning to provide support to one or more affected country Party(ies) and/or subregion(s)/region(s) for the implementation of synergistic instruments? Yes No

Provide any complementary information as needed (e.g., description of synergistic instruments implemented by your country, support received by Convention-related institutions, major difficulties experienced in the establishment of initiatives for synergistic planning/programming of the three Rio conventions or mechanisms for joint implementation, etc.)

Drought action plan (DMCSEE), problem with implementation due to slow legislation changes

Please answer the following questions only if your country supported the implementation of one or more synergistic instrument(s) in affected country(ies) during the reporting period

Qualitative assessment

If your country has supported initiatives for synergistic planning/programming of the three Rio conventions, specify the type of joint initiative(s):

- Evaluation of national plans and identification of gaps in synergies
- Identification of national sectors and policies that could benefit from synergies and cooperation
- Review of national policies to enhance cooperation and synergies
- Enhancement of the institutional and scientific capacities and awareness of relevant stakeholders
- Other (please describe below):

If your country has supported mechanisms for joint implementation, specify the type of mechanism(s):

- Regular meetings between focal points and focal point teams of the Rio conventions
- A national coordinating committee for the implementation of the Rio conventions
- National coordination on synergies in reporting under the Rio conventions
- Other (please describe below):
