

United Nations Convention to Combat Desertification
Performance Review and Assessment of Implementation System
Fifth reporting cycle, 2014-2015 leg

Report from United Arab Emirates as affected country Party

June 29, 2014

Contents

I. Performance indicators

A. Operational objective 1: Advocacy, awareness raising and education

Indicator CONS-0-1

Indicator CONS-0-3

Indicator CONS-0-4

B. Operational objective 2: Policy framework

Indicator CONS-0-5

Indicator CONS-0-7

C. Operational objective 3: Science, technology and knowledge

Indicator CONS-0-8

Indicator CONS-0-10

D. Operational objective 4: Capacity-building

Indicator CONS-0-13

E. Operational objective 5: Financing and technology transfer

Indicator CONS-0-14

Indicator CONS-0-16

Indicator CONS-0-18

II. Financial flows

Unified Financial Annex

III. Additional information

IV. Submission

Operational objective 1: Advocacy, awareness raising and education

CONS-O-1

Number and size of information events organized on the subject of desertification, land degradation and drought (DLDD) and/or DLDD synergies with climate change and biodiversity, and audience reached by media addressing DLDD and DLDD synergies

Global target

Percentage of population informed about DLDD and/or DLDD synergies with climate change and biodiversity

30 %

2018

National contribution to the global target

Percentage of national population informed about DLDD and/or DLDD synergies with climate change and biodiversity

25

2011

2013

2015

2017

2019

Voluntary national target

Percentage of national population informed about DLDD and/or DLDD synergies with climate change and biodiversity

%

Year

Which national target your country has established to measure progress in achieving the priorities established in the national action programme, if different from the target suggested above?

According to the (NAP) draft : By the year 2021 , 30% of national population will be informed about DLDD and/or DLDD synergies with Climate Change and Biodiversity.

Information events

Year	Number of events	Total estimated participants
2008		
2009		
2010		
2011		
2012	8	400000
2013	10	500000
2014		
2015		
2016		
2017		
2018		

Mass media articles and radio/television programmes about these events

Year	Number	Estimated people reached
2012	7	1000000
2013	11	1500000
2014		
2015		
2016		
2017		
2018		

Sources of information

Ministry of Environment and Water
Environment Agency Abu Dhabi
Dubai Municipality
Environment Protection and Development Authority - Ras Al khaimah
Dibba Al Fujairah Municipality

Operational objective 1: Advocacy, awareness raising and education

Qualitative
assessment

Does your country have a national communication strategy addressing DLDD and/or DLDD synergies with climate change and biodiversity in place?

Yes No

Provide any complementary information as needed (e.g., regarding the implementation of the Comprehensive Communication Strategy, activities relating to the United Nations Decade for Deserts and the Fight Against Desertification, etc.):

NAP contains activities on awareness raising and capacity building , but not as a separate Communication Strategy.

Operational objective 1: Advocacy, awareness raising and education

CONS-O-3

Number of civil society organizations (CSOs) and science and technology institutions (STIs) participating in the Convention processes

Global target

A steady growth in the participation of CSOs and STIs in the Convention processes is recorded along the implementation period of The Strategy.

National contribution to global target: number of CSOs and STIs involved in DLDD-related programmes/projects

Year	Number of civil society organizations	Number of science and technology institutions
2008		
2009		
2010		
2011		
2012	18	12
2013	18	12
2014		
2015		
2016		
2017		
2018		

Sources of information: name of the CSOs and STIs

Ministry of Environment and Water
Higher Colleges of Technology
UAE University (UAEU)

the CSOs and STIs
 the CSOs and STIs
 the CSOs and STIs
 the CSOs and STIs
 the CSOs and STIs

Abu Dhabi University
American University of Sharjah
British University in Dubai

Voluntary national target

Percent increase in the number of CSOs and STIs participating in the Convention process at national level, per biennium %

Which national target your country has established to measure progress in achieving the priorities established in the national action programme, if different from the target suggested above?

A steady growth in the participation of CSOs and STIs in the Convention processes is recorded along the implementation period of the NAP.

Qualitative assessment

Is your country undertaking initiatives to increase the participation of CSOs and STIs in DLDD-related programmes and projects? Yes No

Provide a short description of actions taken at the national level to promote participation by CSOs and STIs in the Convention processes.

- Some STIs and CSOs are members of the National Biodiversity and Decertification Combat Team
- Participation in the process of NAP development.
- Involvement in DLDD related events.

Operational objective 1: Advocacy, awareness raising and education

CONS-0-4

Number and type of DLDD-related initiatives of civil society organizations (CSOs) and science and technology institutions (STIs) in the field of education

Global target

A steady growth in the number of DLDD-related education initiatives undertaken by CSOs and STIs is recorded along the implementation period of The Strategy

National contribution to the global target: number of DLDD-related initiatives implemented by CSOs and STIs in the field of education

Year	Number of CSOs initiatives	Number of STIs initiatives
2008		
2009		
2010		
2011		
2012	15	12
2013	21	12
2014		
2015		
2016		
2017		
2018		

Sources of information

- Ministry of Environment and Water
- Environment Agency Abu Dhabi
- Dubai Municipality
- Environment Protection and Development Authority - Ras Al khaimah
- Dibba Al Fujairah Municipality

Voluntary national target

Percent increase in the number of DLDD-related education initiatives undertaken by CSOs and STIs, per biennium

%

Which national target your country has established to measure progress in achieving the priorities established in the national action programme, if different from the target suggested above?

to have constant/ increased growth in the number of DLDD-related education initiatives undertaken by CSOs and STIs,

Qualitative assessment

Is your country undertaking initiatives to increase the number of DLDD-related initiatives in the education sector implemented by CSOs and STIs?

Yes

No

Provide a short description of actions taken at the national level to increase the number of DLDD-related initiatives of CSOs and STIs in the field of education.

Involvement in UNCCD related events, participation as members of the National Biodiversity and Decertification Combat Team.

CONS-0-5 Number of affected country Parties, subregional and regional entities to have finalized the formulation/ revision of national, subregional and regional action programmes (NAPs/SRAPs/RAPs) aligned to The Strategy, taking into account biophysical and socio-economic information, national planning and policies, and integration into investment frameworks

Global target Percentage of affected country Parties, subregional and regional entities that have formulated/ revised a NAP/SRAP/RAP aligned to The Strategy **≥ 80 %** **2018**

National contribution to the global target

Does your country have a NAP aligned to the Strategy? Yes No

Qualitative assessment

Is your NAP being implemented? Yes No

Please answer the following questions only if your country has aligned the NAP to the Strategy

Qualitative assessment

Has your country's NAP been integrated into national development planning and relevant sectoral and investment plans and policies? Yes No

If yes, please specify the relevant sectoral and investment plans and policies:

National Biodiversity Strategy and Action Plan(draft) , National Water Strategy, Agriculture Strategy(Draft)

Has your aligned NAP been formally adopted? Yes No

Qualitative assessment

Provide any complementary information as needed (e.g., national circumstances affecting the NAP alignment and implementation process)

The formal updated NAP adoption is in progress. However, the previous one which launched in 2003 still considered to be the formal one till now.

Sources of information

Ministry of Environment and Water

CONS-0-7

Number of initiatives for synergistic planning/programming of the three Rio conventions or mechanisms for joint implementation, at all levels

Global target

Each affected country Party has either one joint national plan in place or functional mechanism(s) to ensure synergies among the three Rio conventions

2014

National contribution to the global target

Was your country implementing joint planning/programming initiatives for the three Rio conventions in the current reporting period?

Yes

Yes, but for only two of the Rio conventions

No

Were there any operational mechanisms that facilitated joint implementation of the three Rio Conventions during the current reporting period?

Yes

Yes, but for only two of the Rio conventions

No

Please answer the following questions if your country has such initiatives or mechanisms in place

Qualitative assessment

If your country has initiatives for synergistic planning/programming of the three Rio conventions, specify the type of joint initiative(s):

Evaluation of national plans and identification of gaps in synergies

Identification of national sectors and policies that could benefit from synergies and cooperation

Review of national policies to enhance cooperation and synergies

Enhancement of the institutional and scientific capacities and awareness of relevant stakeholders

Other (please describe below):

Qualitative assessment

If your country has mechanisms for joint implementation, specify the type of mechanism(s):

Regular meetings between focal points and focal point teams of the Rio conventions

A national coordinating committee for the implementation of the Rio conventions

National coordination on synergies in reporting under the Rio conventions

Other (please describe below):

Provide any complementary information as needed:

Sources of information

Ministry of Environment and Water

CONS-0-8

Number of affected country Parties, subregional and regional entities to have established and supported a national/subregional/regional monitoring system for DLDD

Global target

Percentage of affected country Parties, subregional and regional reporting entities that have established and supported national monitoring systems for DLDD

≥ 60 %

2018

National contribution to the global target

Is a monitoring system specifically dedicated to DLDD established in your country?

Yes

No

Please answer the following questions if your country has not established and supported national monitoring systems for DLDD by the end of the current reporting period

Voluntary national target

When does your country plan to establish and support a national monitoring system for DLDD?

2014-2015

2016-2017

2018-2019

No Plan Yet

Which national target your country has established to measure progress in achieving the priorities established in the national action programme, if different from the target suggested above?

According to the Draft NAP, it is planned to establish a national system to monitor DLDD by the year 2021.

Sources of information

Ministry of Environment And Water

Qualitative assessment

Does your country have a monitoring system partially covering DLDD?

Yes

No

Provide any complementary information as needed (e.g., major difficulties experienced, how the system is being supported, etc.):

Although there is no specialized system dedicated to monitor DLDD, however, some institutions monitor partially DLDD, like : Ministry of Environment and Water, local authorities, , National Center for Meteorology and Seismology ,ICARDA ,ICBA ,etc.

Knowledge-sharing systems

List any DLDD-relevant knowledge-sharing system in your country, providing an Internet link and estimated number of users per year (add as many rows as necessary).

Name of the system:

Ministry of Environment and Water website

Internet link:

www.moew.gov.ae

Estimated number of users per year:

 Estimated number of users per year:

CONS-O-10

Number of revised NAPs/SRAPs/RAPs reflecting knowledge of DLDD drivers and their interactions, and of the interaction of DLDD with climate change and biodiversity

Global target

Percentage of revised NAPs/SRAPs/RAPs that have successfully gone through a quality self-assessment.

≥ 70 %

2018

Please answer the following questions only if your country has aligned the NAP:

National contribution to the global target

Does your aligned NAP include a knowledge-based identification and analysis of biophysical and socio-economic drivers of DLDD, and of their interaction? Yes No

Does your aligned NAP include a knowledge-based identification and analysis of the interaction between DLDD and climate change and biodiversity? Yes No

Sources of information

Ministry of Environment and Water

Qualitative assessment

Does your aligned NAP assess the barriers to sustainable land management? Yes No

If your aligned NAP assesses the barriers to sustainable land management, does it include recommendations for removing these barriers? Yes No

Does your country have data and information available to report on the following progress indicators, currently included within the CBD and UNFCCC reporting processes:

- Trends in abundance and distribution of selected species: Yes No
- Trends in carbon stock above and below ground: Yes No

If your country has identified nationally/locally relevant biophysical and socio-economic indicators for monitoring the aligned NAP, please list such indicators below:

Net primary productivity
Area of protected areas and rangelands
Area of forest and agricultural lands sustainably managed
Amount of treated wastewater
Area of plantations
Carbon stock
Number of rehabilitated areas

Provide any complementary information as needed:

--

CONS-0-13

Number of countries, subregional and regional reporting entities engaged in building capacity to combat DLDD on the basis of the National Capacity Self-Assessment (NCSA) or other methodologies and instruments

Global target

Percentage of affected country Parties, subregional and regional reporting entities that implement DLDD-specific capacity-building plans or programmes/projects

≥ 90 %

National contribution to the global target

Is your country implementing DLDD-specific capacity-building plans or programmes/projects on the basis of the NCSA?

Yes

No

Is your country implementing DLDD-specific capacity-building plans or programmes/projects on the basis of other methodologies and instruments to assess national capacity-building needs?

Yes

No

Provide any relevant information on the size, scope, effectiveness and status of the initiatives implemented, or other complementary information as needed

Sources of information

Ministry of Environment and Water

Qualitative assessment

Has your country assessed DLDD-related capacity-building needs?

Yes

No

Did your country receive technical and/or financial assistance to build capacities to combat DLDD?

Yes

No

CONS-O-14

Number of affected country Parties, subregional and regional entities whose investment frameworks, established within the integrated financing strategy (IFS) devised by the Global Mechanism (GM) or within other IFSs, reflect leveraging national, bilateral and multilateral resources to combat DLDD

Global target

Percentage of affected country Parties, subregional and regional reporting entities that have developed integrated investment frameworks (IIFs)

≥ 50 %

2014

National contribution to the global target

Does your country have an integrated investment framework?

Yes

No

Provide any complementary information as needed (e.g. is the IIF based on the NAP; non-traditional and innovative financing targeted by the IIF; overview of the progress in implementing the IIF in your country; assistance received in the development or implementation of the IIF from the GM or other development partners, etc.)

Sources of information

Please answer the following questions only if your country has not developed an IIF by the end of the reporting period

Voluntary national target

When does your country plan to establish an IIF?

2014-2015

2016-2017

2018-2019

No Plan Yet

Which national target your country has established to measure progress in achieving the priorities established in the national action programme, if different from the target suggested above?

CONS-O-16

Degree of adequacy, timeliness and predictability of financial resources made available by developed country Parties to combat DLDD

Rating of the bilateral assistance received for the implementation of the Convention and its Strategy during the reporting period

Adequacy of bilateral assistance received	Adequate	<input type="checkbox"/>
	Fairly adequate	<input type="checkbox"/>
	Not adequate	<input type="checkbox"/>
<hr/>		
Timeliness of bilateral assistance received	Timely	<input type="checkbox"/>
	Fairly timely	<input type="checkbox"/>
	Not timely	<input type="checkbox"/>
<hr/>		
Predictability of bilateral assistance received	Predictable	<input type="checkbox"/>
	Fairly predictable	<input type="checkbox"/>
	Not predictable	<input type="checkbox"/>

Provide any complementary information (e.g., additional information on other aspects beyond those mentioned above which impact proper planning and effective implementation of the Convention in your country, etc.)

Qualitative assessment

Did your country receive assistance in raising resources from bilateral donors? Yes No

CONS-O-18

Amount of financial resources and type of incentives which have enabled access to technology by affected country Parties

Global target

A steady growth in the financial resources allocated to facilitate access to technology by affected country Parties is recorded along the implementation period of the Strategy

A steady growth in the number of economic and policy incentives reported upon is recorded along the implementation period of the Strategy

National contribution to the target: estimated amount of financial resources allocated to facilitate access to technology

Year	Currency	Amount
2008		
2009		
2010		
2011		
2012		
2013		
2014		
2015		
2016		
2017		
2018		

Has your country established economic and policy incentives intended to facilitate access to technology? Yes No

Sources of information

Ministry of Environment and Water

Voluntary national target

Percentage increase of financial resources allocated to facilitate access to technology by a given year % Year

Which national target your country has established to measure progress in achieving the priorities established in the national action programme, if different from the target suggested above?

Qualitative assessment

Provide any complementary information as needed (e.g., a short overview of specific aspects and the nature of technology transfer in your country, aspects in which there is a need to increase the level of technology transfer, etc.)

Identification

Identification code

Enter the Identification Code (ID), number or acronym given to the activity funded (if known)

Name of the activity
funded

Enter the name or title of the activity, project, programme, organization or initiative

Reporting process-related issues

Financial resources

Could your country count on sufficient financial resources to meet UNCCD reporting obligations?

Yes No

Provide an estimate of the amount invested from your country's national budget into the current UNCCD reporting process

Year	Currency	Amount
2008		
2009		
2010		
2011		
2012	AED - UAE Dirham	300000
2013	AED - UAE Dirham	300000
2014		
2015		
2016		
2017		
2018		

Human resources

Provide an estimate of the people involved in your country in the UNCCD reporting process, and of the total number of months dedicated by these persons to the reporting process

Year	Number of people	Number of months
2008		
2009		
2010		
2011		
2012	10	4
2013	10	4
2014		
2015		
2016		
2017		
2018		

Knowledge

Could your country count on sufficient technical and scientific knowledge to meet UNCCD reporting obligations?

Yes No

Coordination

Was coordination at the national level with the relevant line ministries satisfactory in order to report comprehensively and coherently?

Yes No

Participation and consultation

Was a participatory or consultative approach applied to involve all relevant stakeholders in the reporting process?

Yes No

Validation

Was a validation meeting held as a part of the reporting process?

Yes No

Subregional and regional processes

Did your country cooperate with the entities entrusted with preparing the subregional and regional action programme reports?

Yes No

Accommodation of specific requests within decisions taken by the Conference of the Parties

Reporting on specific COP requests: iterative process on indicators

Tick the boxes only if you have experienced difficulties in reporting on one or more performance indicator(s). When doing so, place the tick mark under the e-SMART criterion for which the difficulty occurred.

Any other country-specific issues

Does your country have any specific issue to bring to the attention of the Conference of the Parties? Yes No

If yes, please specify under which of the following broad categories it can be classified

- Policy, legislative and/or institutional framework
- Capacity-building and awareness-raising
- Desertification/land degradation and drought and sustainable land management monitoring and assessment/research
- Funding/resource mobilization
- Knowledge management and decision-making support
- Participation, collaboration and networking
- Reporting and review process
- Other

Please describe below:

We suggest to add a specific Annex to the reporting template so as to reflect the funding for DLDD activities paid from national budgets of the Affected Country Parties not eligible for funding.
