LUNCH

BY INVITATION ONLY

13:00 - 14:30

Side-meeting 1-2

Event summary

High-Level Luncheon on the land-climate nexus: promoting land-based solutions in addressing climate change

A high-level session co-led by the President of COP14 and Minister of Environment, Forest and Climate Change of India and the Deputy Secretary-General of the United Nations. On the road to the Climate Action Summit, the lunch meeting will seek to address the land-climate nexus - not only for mitigation and adaptation but also to build resilience, to help meet the Paris Agreement and deliver on the Sustainable Development Goals.

Venue

MET 14

*** Participants may wish to inform UNCCD Secretariat, in advance, if they plan to take the floor.*

Special segment: Ministerial Round-table Discussions

By drawing attention to the human face of desertification, land degradation and drought, the special segment will bring political momentum to the deliberations of Parties and boost the engagement of diverse stakeholders in the implementation of UNCCD.

To assist delegations in preparing for the high-level segment, the secretariat has prepared information notes outlining some of the questions that ministers, and other heads of delegation, will be invited to consider during their deliberations.

****Translations in all six UN-languages provided**

MINISTERIAL SESSIONS

Delegates are kindly requested to register at the "registration desk" between 14:30 and 15:00 at the entrance of the respective meeting room and collect their country name plates. 30 seats per round table are exclusively reserved for participants at ministerial/VIP level.

15:00 - 18:00

Session 1-2

Event

Parallel Ministerial Sessions

*** Ministers and Heads of Delegation may wish to inform UNCCD Secretariat, in advance, if they plan to participate and take the floor in a specific roundtable*

Event summary

Roundtable 1

Land, Climate and Renewable Energy

The objective of this session is to secure guidance on how land-based solutions can be strategically deployed to fight climate change and deliver access to renewable energy for all.

Roundtable 2

Rural and urban communities: failing or flourishing together

The objective of this session is to secure guidance on how urban and rural areas can work together to manage the land sustainably.

Roundtable 3

Fostering a Global Movement for Ecosystem Restoration

The objective of this session is to secure guidance on how we can create and sustain a global movement for ecosystem restoration.
