4. Decides that, in order for the Convention Secretariat to enjoy the administrative and financial autonomy necessary to ensure efficient servicing of the Convention and of its implementation, it should not be fully integrated into the work programme and management structure of any particular department or programme of the United Nations;

5. Decides to review these arrangements not later than at its fourth session, in consultation with the Secretary-General, with a view to making such modifications as may be considered desirable by both parties;

6. Requests the Executive Secretary to pursue the question of the allotment of overhead to defray administrative expenses as indicated in the advice of the Secretary-General and to report the results at its second session;

7. Expresses its appreciation to the departments and programmes of the United Nations, as well as agencies of the United Nations system, that have supported the Interim Secretariat of the Convention and the Intergovernmental Negotiating Committee process in general, expresses the desire that the support and cooperation given by those departments, programmes and agencies should continue, and invites these entities and the Executive Secretary to collaborate in reaching understandings that specify the nature of cooperation and support that each entity would provide to the Convention Secretariat.
