## Convention to Combat Desertification

Distr.: General  
12 September 2011

English/French/Spanish only

---

### Conference of the Parties Committee on Science and Technology

#### Tenth session

Changwon, Republic of Korea, 11–13 October 2011

Item 7 of the provisional agenda

#### Science and technology correspondents

## List of science and technology correspondents\*

### Note by the secretariat

1. By its decision 15/COP.7 on improving the efficiency and effectiveness of the Committee on Science and Technology (CST), the Conference of the Parties encouraged country Parties to select a science and technology correspondent to the CST under the coordination of the national focal point.
2. Pursuant to the above decision, national focal points reviewed and revised the list of science and technology correspondents appointed by their countries and communicated this information to the secretariat. The revised list is contained in this document, updated as at 25 August 2011.
