EARLY WARNING SYSTEMS

Publication on early warning systems

Note by the secretariat

By its decision 14/COP.5 of 12 October 2001, the Conference of the Parties requested the secretariat to publish and distribute in a suitable form, as widely as possible, the report together with the background papers submitted to the reappointed ad hoc panel on early warning systems. Five hundred copies of this publication (report in English, background papers in the languages of submission) are to be distributed. The report is also available in all official United Nations languages on the secretariat's Internet web site at the following address: <http://www.unccd.int>.
