Information for participants

The eleventh session of the Committee for the Review of the Implementation of the Convention (CRIC 11) and the third special session of the Committee on Science and Technology (CST S-3) with its UNCCD 2nd Scientific Conference of the United Nations Convention to Combat Desertification (UNCCD), hereinafter referred to as “the conference”, will be held from 9 to 19 April 2013 in Bonn, Germany. 3. Admittance to the session

The provisions governing the Conference of the Parties (COP) apply mutatis
mutandis to the proceedings of its subsidiary bodies. Participation in the conference is
therefore open to Party delegations, United Nations specialized agencies and observers in
accordance with the provisions of the UNCCD and the rules of procedure of the COP.¹

Party delegations do not need to present credentials because the CRIC and the CST
are subsidiary bodies of the COP. However, an official list of delegation members should
be forwarded to the UNCCD secretariat, for registration and security purposes, before the
conference session. Observers already accredited to previous sessions of the COP should
also comply with this requirement.

Any body or agency, whether national or international, governmental or
non-governmental, which has not yet obtained observer status may be admitted to the
conference on submission of an official request to the UNCCD secretariat, pending the
decision on its accreditation as an observer by the COP at its next ordinary session. This
request should state the competence or qualification of the body or agency in matters
covered by the UNCCD.

4. Registration

Registration for national delegations, specialized agencies and United Nations
programmes, and intergovernmental and non-governmental organizations, as well as for the
media and staff of the United Nations, will take place from Monday, 8 April 2013 to

¹ In accordance with article 36, paragraph 2, of the Convention, for each State or regional economic
integration organization which ratifies, accepts, approves or accedes to the Convention after the

enters into force on the ninetieth day after the date of deposit by such State or regional economic

regional economic integration organizations that have deposited their instruments by 9 January 2013.
States that deposited their instruments after 9 January but by 19 January 2013 will become Parties
during the session. States that deposited their instruments after 19 January 2013 will not become
Parties until after the session is closed, but may participate in the session as observers.
Intergovernmental organizations that were accredited at the tenth session of the COP are listed in
document ICCD/COP(10)/28. The civil society organizations, including non-governmental
organizations, accredited to the COP are those having complied with the provisions set out in decision
5/COP.10. Relevant information on the status of ratifications is available on the secretariat website
<www.unccd.int>.
