## TERMS OF REFERENCE

### Senior Expert (Private Sector Engagement)

Consultancy reference number: CCD/22/GI/C/38

#### Background

---

Desertification, along with climate change and the loss of biodiversity were identified as the greatest challenges to sustainable development during the 1992 Rio Earth Summit. Established in 1994, the United Nations Convention to Combat Desertification (UNCCD) is the sole legally binding international agreement linking environment and development to sustainable land management. The Convention seeks to support countries to address Desertification, Land Degradation, and Drought (DLDD). ([www.unccd.int](http://www.unccd.int))

The G20 (or Group of Twenty) is the annual international forum for the governments of 19 industrialized countries and the European Union (EU). The G20 Leaders' Declaration, issued on Sunday, 22 November 2020, launched a "Global Initiative on Reducing Land Degradation and Enhancing Conservation of Terrestrial Habitats". Building on existing initiatives and on a voluntary basis, the G20 countries share the ambition to achieve a 50 percent reduction in the amount of degraded land by 2040. The Global Initiative (GI) with oversight from UNCCD, will focus on capacity building, engaging the private sector and civil society and showcasing success. The Director, under the oversight of the Executive Secretary of the UNCCD, manages the Initiative Coordination Office (ICO).

Working with the private sector is key to the successful implementation of the G20 Global Initiative. In this context, the Initiative is planning to hire a senior expert in Private Sector Engagement.

#### Objective of consultancy

---

The Global Initiative is working actively with the private sector.

#### Duties and Responsibilities:

---

Under the direct supervision of the Director Global Initiative the incumbent will undertake the following tasks:

- Prepare a draft strategy for private sector engagement for promoting the G20 Global Initiative within the private sector in G20 and beyond.
- To identify important private-sector networks and entities who are active in the domain of habitat conservation and restoration who could be targeted to promote the G20 Global Initiative.
- To identify key influencers (up to 100) within the domain of private sector who could be approached to promote the G20 Global Initiative.
- To provide guidance on specific private sector events which could be targeted to present and promote G20 Global Initiative on land restoration.
- To represent the G20 Initiative in international fora upon request from the Director of the Global Initiative.
- To be the domain lead in the G20 Land Initiative Community of Practice on outreach and communication issues on the Global Initiative.

#### Deliverables

---

Key deliverables are:

- ✓ A draft strategy for private sector engagement.

- 
- ✓ List of key associations, grouping, and influencers in the field of private sector whom the Global Initiative should target to promote the initiative.
  - ✓ Final report
