

IN CONNECTION WITH
**2026 DESERTIFICATION
AND DROUGHT DAY**
17 JUNE 2026

FIRST NATIONAL YOUTH FORUM ON LAND RESILIENCE AND CLIMATE MOBILITY IN MALI

*“Youth Acting for Land Restoration,
Climate Resilience and Sustainable Futures”*

17–18 JUNE 2026
Bamako, Mali

OUR OBJECTIVES

- Launch a National Youth Network for Land and Climate Resilience
- Identify and promote at least 50 youth-led green projects
- Strengthen partnerships between youth, institutions and private sector
- Develop a National Youth Declaration on Desertification and Climate Mobility
- Promote solutions linking climate action, employment and sustainable livelihoods

WHO WILL PARTICIPATE?

- Youth leaders from all 19 regions and the District of Bamako
- Private sector
- Government institutions
- Civil society organizations
- International organizations
- Media and climate advocates

OUR VISION

A Mali where young people lead the way in restoring land, building climate resilience and creating decent green jobs to reduce climate-induced migration.
